Dear Daniel:

It is our pleasure to invite you to attend our upcoming event, the Fish 2.0 Competition and Final Event. Congratulations, you have been selected as a semi-finalist in our sustainable fisheries competition. During the competition, you will be presenting to our panel of judges and participating in peer-to-peer discussions and learning opportunities.

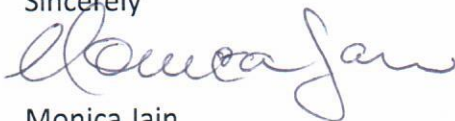

The event is being held at:
Stanford University, Paul Brest Hall on the Munger Campus
Stanford, California 94305 U.S.A

The event takes place on:
Tuesday, November 12 and Wednesday, November 13, 2013.
It is recommended that you consider being present the day prior, November 11, 2013, in order to prepare for the event. Also recommended, is to stay a day or two following the event, to allow for follow up meetings with other attendees.

As a semi-finalist, you will be staying at the Creek-side Inn (3400 El Camino Real, Palo Alto, California, USA) as a guest of the competition.

We look forward to your continued involvement in our competition. Should you need anything further, please do not hesitate to let us know.

Sincerely
